was playing tennis in the park with my mate Debs when I noticed three lads of about 19 years old hanging about watching us.

I've always fancied younger blokes so the fact they were watching us got my pussy wet - to be honest I needed a fuck.

To cut a long story short, me and Debs went over and asked for a drink. We got chatting and, as we were horny, everything we said had a double meaning.

They told us they'd never seen two girls fucking before so me and Debs started kissing. We really wanted each other and our tongues were everywhere.

Basically the situation escalated into one horny fuck-athon. I've never had so much spunk over me before and I loved it.

At one point I glanced over to Debs. She was being well and truly fucked by Nick - the biggest of the lads - from behind. She was moaning really loud and begging for more.

So Nick started fingering her arse while he fucked her tight cunt hole.

The fact that she was the only woman in there and all the blokes could see her getting fingered turned her on even more.

Next we went to watch some blue movies in a cinema.

It was pitch black inside. the only light coming from the huge images of three blokes fucking a woman on the silver screen.

We sat near the back and after a while Claudia realised the guy next to her had his trousers round his knees and was wanking his hard cock.

Before I knew it she had leaned over, grabbed hold of his cock and started tossing him off.

I began fingering her soaking wet cunt while she wanked him off.

# For Eddie's bangin' birthday surprise, wife Gilda and five mates are the icing on the cake...

've been married to my husband Eddie for five years and we have always enjoyed a full and vigorous sex life – much to our neighbours' annoyance!

I've always been bisexual and loved the female body, its curviness, its heft. Eddie's known about my bi-sexuality since before we got married and it has never been a problem. Quite the opposite in fact!

If anything, it has kept our sex life fresh and exciting and has brought us closer together. We love to go out to clubs where I will pull a bi-girl and invite her back for a threesome.

We always make sure the girls know what we're into. Sometimes if the girl is not into blokes then Eddie will leave us to it and fuck me ragged afterwards Most girls are happy to let him join in anyway.

It was his 40th birthday a couple of months back and I wanted to do something special for him. I got together with two friends of mine and cooked up a terrifically horny plan.

The plan was for Edd e and me to go to a club in town and then for me to pull Jenny and Emily, my friends, and take them home to do a lezz e show in front of Edd e

Eddie didn't know either of the girls

so this made the plan even better. When I told him I was taking him out on the pull for his birthday he was as happy as Larry.

Just as we were about to leave for town I got Eddie's cock out and started

sucking him off. I bobbed on his cock until he was just about to cum. Then I stopped, put it back in his trousers and dragged him out of the door.

This set him up perfectly for the night he was as randy as hell After a few bars we hit the club and he was all over me. his heavy balls desperate to lose their load.

I got in between Emily and Jenny as they strutted their stuff and soon their hands were all over me. Emily pressed her body up against me from behind while Jenny moved her leg between mine and rubbed her thigh against my moistening pussy

My short skirt had ridden up around my thighs, and anyone who looked got an eyeful of my shaven pussy. Jenny had one hand up my skirt and was rubbing my glistening mound.

I freed myself from Eddie's grip and went over and started getting down with them. This was a familiar scenario for Eddie so he took his

'rn an army wife and I had a very horny experience while my hubby was away on an army exercise recently.

Anyway, I ended up back at my mate Debra's house with a couple of eager young squaddies. We had sat them on the sofa and we were stripping off in front of them.

We wiggled our burns at them as we turned round and bent over to take off our wet panties. They wolf-whistled when they saw our glistening holes desperate for their cocks.

I turned round and spread

They were egging us on to get totally naked, but we made them strip off first. They looked at each other a bit shyly but we were in charge so eventually they ended up doing as we asked.

Seeing their big stonking hard-ons really turned Debra and me on.

Then they told me to find out if Debra's cunt was as wet

me wild, and I did the same to her. We'd almost forgotten about the two lads on the sofa until one of them sprayed a can of beer on my back and the other insisted on taking these photos.

Now that they'd got our attention, one of them got on the floor and shoved his huge cock straight up Debra's arsehole as I continued to tongue-

as mine was. I reached over to touch her shaven minge, and sure enough she was as wet as me.

I proved it to them by licking her white creamy fluid off my fingers.

Debra and I lay down on the carpet and I opened my legs to show off my juicy cunt, which she couldn't wait to lick. It was such an erotic feeling having a woman lick my snatch, especially when being encouraged from the sidelines by two wanking lads.

In the 69 position Debra started fingering my hole and licking my clit. It drove frig her clit.

Feeling this lad's balls banging against my face as he shafted my mate made me cock-hungry too. All of a sudden I felt my cunt fill right up with pure beef.

The other lad stuck his prick up me and screwed me hard and fast. Debra licked his dick as it went in and out and I couldn't take it any longer, I just had to cum.

I spurted my cream all over his dick, which Debra then licked clean.

Debra impaled herself on his cock, still glistening with my juices, and brought herself to a quick climax. Then the guy who'd been screwing Debra's arse started fucking me. He slid his cock in and out of my cunt from behind while Debra sucked my tits until I came again.

They were young lads so they weren't able to hang on for much longer

Debra and me lay back on the bed and the lads squatted over us. I sucked on a set of knackers before sticking the shaft deep into my throat.

A quick wank and he was pulsing into my mouth, pump after pump of creamy white goo shooting to the back of my throat,

I looked to the side and saw Debra's face painted with the other's baby juice. She was plastered in it and had a big stupid grin on her face.

A couple more beers and they were soon up for more fun. I got butt-fucked so hard I can still feel it as I'm writing.

At one point the lads tried to get both their cocks alongside each other in my pussy. We had a go but couldn't quite manage it.

But it was a great foursome and an experience I'd like to enjoy again!

My husband certainly enjoyed hearing about it! Paula, Somerset

I asked them to let me think about it and went and checked with Dave, Dave was all for me being fucked by a black man but insisted on being allowed to watch.

The black guys couldn't believe their luck and we all left for their flat. Once we were inside it only took them a few seconds to have music on and drinks in our hands.

They were eager to get it on and soon crowded me on to the large sofa.

It wasn't long before a cock was eased into my very wet pussy. Seconds later I felt his mate squirting jet after jet of sticky hot cum into my mouth him to fuck me harder.

He stuck my legs up on his shoulders and thrust his cock into me for all he was worth. Then with several loud grunts he splashed his load up me. Every jet of cum seemed to trigger another climax in me until we were both drained and lay there panting.

### Dear Escort,

I wish I had been a reader's wife a long time ago! No-one told me I would get masses of mail from really sexy men and women who would send sexy pics and letters and suggest randy secret meetings!

I managed to hide the letters from my husband Bill – he doesn't know the half of what I get up to!

I started off with Jim, arranging a meeting while Bill was at work. In his pic he had a great body and sounded like a good laugh. One problem – he wanted to meet in my local park.

How exciting - but how risky!

When the day came I was bursting with excitement and couldn't wait for Bill to go to work. Then I had a bath and shaved my pussy.

I donned one of Bill's rugby shirts – thinking it would be easy to pull up in the park so Jim could get at my tits and pussy.

At three o'clock sharp I was waiting for Jim, my bra-less nipples standing up against my rugby shirt. Jim

his massive load up my julcy cunt.

I was still very excited and had almost forgotten where I was. I rolled him off me, grabbed his dick and began sucking it to make it hard again. I was about to pull him back into me when I realised that two men had come over to us.

They were smiling and obviously enjoying watching us. Jim looked at me and seeing that I was happy with it, motioned for them to come closer.

They were chuffed to join in. One rubbed his hands all over my tits and the other bent down and began to lick my hot dripping pussy.

"I want you all to fuck me," I gasped, as a flick of the tongue sent waves of pleasure up my spine.

Jim lifted me up while our new pals got their cocks out. Jim parked me firmly on one and I wrapped my legs round his spine.

The other stranger went round the back, caressing me all the time, then rubbed the

head of his dick against my dirt box and gently eased his cock into it.

Wow! Never in my wildest dreams had I imagined this happening when I sent my pictures in!

He slowly drove his dick in and out of my arse as

wet pussy.

Jim completed the fucking by inserting his

large cock in my mouth. They all had their fill of me and we parted total y satisfied. And poor BII never suspected a thing! maya, London

# RISCH SULLING STORY CONTINUED From page 21

you could see every goosebump on her body, was sitting in Eddie's lap, to have a quiet word with one of her mates and explain the situation. I promised them all as much as they could drink if they wanted to carry on the party back at our house. They whispered amongst themselves and we sealed the deal, promising to keep Eddie in the dark.

I beckoned to Eddie and, excited and erect, he followed us to the exit. We jumped in our cab and went home, the driver and Eddie both looking in the rear view mirror all the way. The other girls followed us in their own car.

Once back at home we all got to know each other a lot better. We decided to have a competition for who could put on the best lesbian show for Eddie.

Back at home we sat Eddie in a chair in the bedroom, gave him a beer and a camera and told him to enjoy the show. He didn't say much but he had a big smile on his face – I think he thought he was dreaming!

For the next two hours Jenny, Emily and myself fucked each other in every

way possible. We used didos, fingers and tongues to pleasure each other in every orifice.

At one point I had a burn in my face and pussy lips dangling into my mouth while my pussy was plated by a hot thrusting tongue and someone else massaged my pert little tittles.

It was a really good, sweaty lesbian session with lots of grunting and groan-

## I didn't let him join in till bis balls were bursting

ing and tons of orgasmic pussy juice. We fucked each other good and hard and Edgie loved it.

The girls from the club were a revelation. One had really big boobs which bounced up and down as she rode a purple double-ended dildo. She threw her head back and shuddered as a massive orgasm swept through her. Her mates fell on her like wolves, kissing and licking her tits and thrusting their pussies into her face for her to suck and tick on.

Another of them, who had been in the skin-tight red dress, was a real gusher and when her two mates came up from her pussy for air their faces were slick with her creamy juices, like they had been bobbing for apples in pussy juice.

Though I wouldn't permit him to join in or wank, Eddie was allowed to get as close as he liked with the camera and also to make suggestions of what he wanted to see.

Eddie got to choose

who had given him the best show and he said the three girls we had met in the club. I wasn't having that so we showered them with champagne and beer, got them down on the floor and dildoed them hard till they came, shouting and screaming.

When we'd finally finished the girls got dressed and lined up to give Eddle a final birthday kiss before saying goodnight and leaving.

His balls must have been absolutely bursting because as soon as the door was shut he bent me over the kitchen table and shoved his cock right up me from behind.

After just a few strokes he shouted he was going to cum, I turned round and he jacked himself off all over my face. I've never seen so much cum in all my life! He squirted reams of it down my throat and over my face, neck and tits. Like a good girl I swallowed all he could give me.

Even now Eddle really thinks that he pulled those girls all by himself. When he reads this letter I think I'll be in line for another good fucking for being such a damn fine wife!

### First taste

hings really went with a bang when I had a load of mates round for a sex toy party. Hubby was packed off to the pub and we were all on our way to being pissed as the party rep arrived.

The drunker we got the dirtier we became and brought each other to the point of orgasm with all the dildos and vibrators.

As the evening wore on I realised I was beginning to fancy the rep Jenny.

She was a redhead with green eyes and a tight blouse barely containing her huge

I was on all fours helping her pack stuff away when I felt her hand on the inside of my thiah, her fingers sliding towards the soaking gusset of my knickers.

As her probing digits entered me I was suddenly all over her. Our clothes were rapidly thrown aside until we were both as naked as the day

we were born.

I looked down at her neatly-trimmed bush of copper-coloured pubes below which the lips of her pussy beckoned. Jenny straddled my face and I set about her minge with vigour. It was my first time tasting a woman.

eaders! I urgently need your help! I made a bet with my wife that will mean the best night of my life if I win.

It's my dream to see my wife getting wanked over by a roomful of men. That includes

you, if you want to!

She would lie in the middle of the room, naked and playing with her soaking wet tight pussy.

The men surrounding her all have massive hard cocks and are ready to give her a good rogering.

pussy is so wet from all this excitement I stick my rigid cock up her sopping pussy and fuck her till I fill her cunt up.

## Come and enjoy my wife's tight wet holes. All welcome

All the other men take this opportunity to cream all over her writhing orgasming body. She is absolutely dripping in the stuff.

Then I turn my attention to her even tighter arsehole and slip my cock up her, using all the cum as lube.

She loves this and we fuck. all of us, till we can't take any

While I was licking away Jenny was busy tweaking my nipples and finger-fucking my sopping pussy.

Soon we were in a 69 with both of us giving it our all. Jenny came first, soaking my face with her juices, and I followed her soon after.

Jenny wasn't finished with me yet. She reached into her suitcase of toys and pulled out a strap-on she'd wielded at the party.

She buckled it on, got me on all fours and inserted the cock in me. She fucked me in long strokes, my arse wobbling at every thrust.

I orgasmed hard soon after. Then she nudged the tip of the dildo into my burn hole.

I was powerless to stop her. After a moment of discomfort it slid up my back passage and the relentless pounding started again.

an and I are pussy pals. She's a big breasted lady who adores licking my shaven pierced cunt.

We were out one Saturday night at a mate's pub. It was a mad night, you know... and we ended up running the bar. I was dressed up like a tart and had a real job keeping myself covered up for the punters as I pulled pints and reached for the optics so in the end I didn't bother.

Jan and I were getting pissed and we started kissing. A cheer went up, she pushed me back against the fridge and squatted in front of my bald twat.

Everyone was watching as she got my pussy rings

out for the bar and shouted, "Who's first?"

Within seconds I felt a stiff cock slide up me. Jan slapped my arse and told whoever it was to fuck the bitch hard.

When he came Jan had wanked someone hard ready to slip up after him.

While I was getting fucked I watched Jan step out of her dress. She was wearing stockings and her huge tits tumbled down the front of her waspie.

After I'd taken four more dicks I needed a gin and tonic. Jan needed a drink too. She licked my pussy and five or six loads of creamy cum dribbled out into her mouth. She was in heaven.

Things got even madder. There were scantily-clad girls, soft and hard cocks everywhere. We were at it all night! Jo, Hull. 6
